# Together for a Better Tomorrow Retracing the Events Annual Report 2024

**Ajit Telang Sir, Our Inspiration**

A Devrukh Spiritual Prowess Pvt Ltd (DSPPL) initiative

As Ajit Telang Sir used to say that the education of a student is a social triangle. Unless, teachers and parents do not form "perfect" angle, the educational triangle can never achieve the ideal "equilateral triangle" combination.

# About Us

## DSPPL

“The seed grows into a tree. The age must be good” said a famous poet. How true when it comes to the mission of “Creating a better world for tomorrow” which was started by Reiki Vidya Niketan (affiliated to Shree Swami Samarth Chaitanya Trust, Devrukh) sadhak community in 2012 as a small summer camp for children in Devrukh ashram has now become a huge tree under the aegis of Devrukh Spiritual Prowess Pvt Ltd.

DSPPL was established with the aim to take every human beyond the bondages of knowledge and ignorance into the realms of wisdom and bliss! DSPPL believes that the human life can be understood within two dimensions of material and spiritual experiences.

DSPPL is registered with Registrar of Companies (ROC) Mumbai. It's Registered office is located at Brahmakamal Ashram, Swami Samarth Marg, Devrukh, Ozare (Khurd), Tal. Sangameshwar, Dist. Ratnagiri, Maharashtra. CIN of DSPPL is U73200MH2017PTC300494.

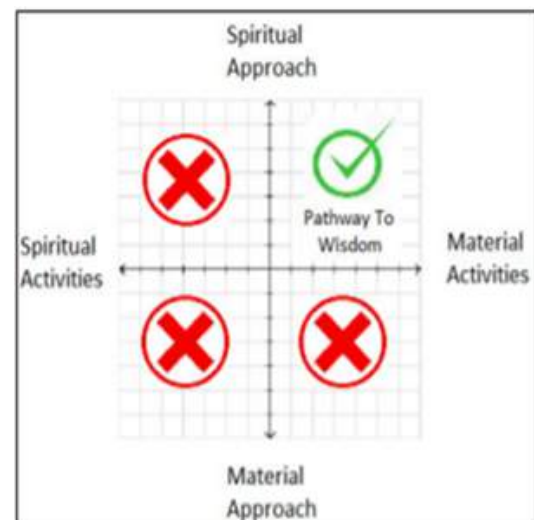

Bankers – HDFC Bank Ltd, Janata Sahakari Bank Ltd

Auditors - Koustubhu Vishnu Bhatye, Chartered Accountants

## The Philosophy

The message of Guruji is loud and clear when he said that the human life can be understood within two dimensions of material and spiritual experiences. When plotted on X-Y axis, it throws out 4 quadrants:

- Material Outlook for material world,
- Spiritual Insights for spiritual world,
- Material Outlook to spiritual world and finally
- Spiritual Insights for material world.

The first three models have been tried by human communities during past many centuries and none have glimmered a hope of divine for a common man. The only approach possibly left for all of us is to practice spirituality in every walk of life.

**Importance of Financial Literacy**

Financial Awareness & Planning for Children & Youth - Parents Perspective Full

**7 Reasons All Kids Must Learn Personal Finance**

- Lifetime of Financial Independence**  
When children grow up, inheriting wealth is not a guarantee. They need to learn how to manage their own money.
- Any Skill is Easier to Learn as a Kid**  
Whether it's learning to ride a bike or learning to play an instrument, all the skills are easier to learn when we're young.
- Distinguish Between Needs and Wants from a Young Age**  
Teaching children to distinguish between needs and wants helps them make better financial decisions later in life.
- Never too Early to Learn About Saving and Investing**  
While concepts like saving and investing may seem like they're only for adults, it's important to introduce them from a young age.
- Benefit from the Magical Power of Compounding**  
It is essential to start early because the power of compounding grows exponentially over time. The longer you invest, the more you benefit from the magic of compounding.
- Understand the Importance of Opportunity Cost**  
Kids need to be taught that every financial decision has an opportunity cost. It's not just about the money you spend, but also about the things you can't do with that money.
- Start Retirement Planning From the First Paycheck**  
Retirement planning is often overlooked, but it's crucial to start early. Teaching kids about retirement planning from a young age can help them build a secure future.

# Anaghashtami

## Anaghashtami event performed every month on Krishna Paksh Ashtami. This was the 3rd consecutive year.

Lord Dattatreya is the supreme lord. His novelty lies in his incarnation as Ascetic (संन्यासी) as well as the family person (गृहस्थ). His Ascetic form (संन्यासी) is very popular amongst the devotees. However most of our Sadhaks are from Gruhastha Aashram (married and are from family based background) rather than Sanyasi background. Considering this fact, 3 years ago, **Guruji Ajit Sir decided to start "Anaghashtami Vrat" (अनघाष्टमी व्रत)** which is the family man (गृहस्थ) incarnation of Lord Dattatreya. DSPPL is feeling proud to continue this practice started by Ajit sir for 3rd consecutive year. Anagh Dev and Anagha Devi are considered as epitome of family based pious behaviour and spiritual conduct. Their blessings are considered as ultimate boon for Sadhaks living material life, but still pursuing the spiritual practices to achieve the liberation. Lord Dattatreya in the form of Anagh Dev and Anagha Devi is considered as भुक्ती मुक्ती दायकम

(material excellence and ultimate liberation) ! It is very interesting to note that this pooja is performed every month on Krishnashtami, Lord Krishna, incarnation of Vishnu is considered as "Purnavataar" and hence pooja is performed every month on Krishna Ashtami. Anaghashtami Pooja is basically shodash upachar (षोडश उपचार) pooja. It starts by invoking Lord Dattatreya (in the form of Anagh Dev and Anagha Devi) along with his 8 sons (अष्टसिद्धी), and ends with Camphor Aarti. In the year 2024, DSPPL acted as facilitator to perform 12 Anaghashtami Pooja (1 every month)
