## Our Vision & Mission

Devrukh Spiritual Prowess Pvt. Ltd. (DSPPL's) vision is - "to create better world for tomorrow" and the mission is "to enrich human life through spiritual understanding of scientific advancements". Our philosophy is to practice spirituality in day to day life.

## Objective of the Program

- The basic objective of the program is to provide a platform for children to grow and become ideal citizens of the world.
- Based on IKEW Model - moving from Information to Knowledge and from there to Experience and further to Wisdom. Let there be Wisdom, not burden of knowledge.
- There are five dimensions to life, viz, 1.Physical, 2.Emotional, 3.Psychological, 4.Intellectual, 5.Spiritual. Development in all these aspects of life will create a perfect and holistic human. Program is designed to move towards that goal.
